

## **Annuals for Attracting Hummingbirds**

Hummingbirds may be quite particular about flower color and shapes, so make sure you select ones they like. Hummingbirds favor shades of red and pink blooms, because they see these colors best. To further encourage these wonderful visitors provide the birds with fresh water for drinking and bathing; a shallow birdbath works well.

- ❖ Alyssum
- ❖ Cosmos
- ❖ Fuchsia
- ❖ Heliotrope
- ❖ Impatiens
- ❖ Lantana
- ❖ Nasturtium
- ❖ Nicotiana
- ❖ Petunia
- ❖ Phlox
